

**"GREAT FAITH"**

Faith is the confidence that what we hope for will actually happen; it give us assurance about the things we cannot see. And, it is impossible to please God without faith. Anyone who wants to come to Him must believe that God exists and He rewards those who sincerely seek Him.

FASTING

The goal of fasting is to draw nearer to God. Biblical fasting always has to do with eliminating distractions for a spiritual purpose; it hits the reset button of our soul and renews us from the inside out. It also enables us to celebrated the goodness and mercy of God and prepares our hearts for all the good things God desires to bring into our lives. Remember, your personal fast should present a level of challenge, but it is very important to know your body, your options, and, most importantly, to seek God in prayer and follow what the Holy Spirit leads you to do.

TYPES OF FASTS

Complete Fast

In this type of fast, you drink only liquids, typically water with light juices as an option.

Selective Fast

This type of fast involves removing certain elements from your diet. One example of a selective fast is the Daniel Fast, during which you remove meat, sweets, and bread from your diet and consume water and juice for fluids and fruits and vegetables for food.

Partial Fast

This fast is sometimes called the "Jewish Fast" and involves abstaining from eating any type of food in the morning and afternoon. This can either correlate to specific times of the day, such as 6:00 am to 3:00 pm, or from sunup to sundown.

Soul Fast

This fast is a great option if you do not have much experience fasting food, have health issues that prevent you from fasting food, or if you wish to refocus certain areas of your life that are out of balance. For example, you might choose to stop using social media or watching television for the duration of the fast and then carefully bring that element back into your life in healthy doses at the conclusion of the fast.
