

## Poor Mindset Vs Rich Mindset

### Poor Mindset

1. Procrastinates
2. Tends to be pessimistic
3. Lives in the past
4. Constantly complains
5. Avoids learning
6. See obstacles as unbeatable and quits easily
7. Has short-term goals
8. Avoids taking risks
9. Views failure as the end of the road
10. Spends impulsively and lacks financial discipline
11. Sees success as luck of chance
12. Envy successful/rich people & sees them as evil

### Rich Mindset

1. Takes action
2. Tends to be optimistic
3. Lives in the present
4. Focus on the positive aspects
5. Continuous learning
6. Sees obstacles as opportunities to learn & grow
7. Is disciplined in spending and focuses on investing
8. Sees success as a result of hard work and perseverance
9. See successful/rich people as sources of inspiration
