## Go Trip 2024

**TRIP LEADER: DANIEL HARDY**

**DATES: OCTOBER 5-12**

**LOCATION: CARTEGENA, COLOMBIA**

### *More about Cartagena*

Cartagena is a port city on Colombia's Caribbean coast. By the sea is the walled Old Town, founded in the 16th century, with cobblestone streets and colorful colonial buildings. With a tropical climate, the city is a popular beach destination.

### *Religious Demographic*

Catholicism is still the main religion in Colombia by a number of adherents, with an estimated 73% of the national population in nominal Catholicism in 2022.

### *Missionary Partner Info*

Jimmy and Jill have served 32 years in Venezuela prior to Colombia. They established churches and pastored the main, mother church. God opened doors of blessing to pioneer the first Christian radio station in their district, the first children's bus ministry, the first Chi Alpha ministry, and the first army base ministry. God also opened doors to pioneer ministry in grade schools and high schools. He is opening these same doors now in Colombia where they have been now for several years.

"We are so excited to host a team from Realife Church! We can't wait to do ministry with you all and are excited to introduce you to all the people and things that made us fall in love with Cartagena. Once you come you are family, we will never forget you and we hope you will feel the same. We are praying for each one of you as you prepare to leave a piece of your heart here!"
