KINGDOM BUILDERS

A CALL TO SEE THE WORLD AS GOD SEES IT

Dear Realife Family, Every time we pause and look around, we're reminded that the story God is writing through Realife Church is nothing short of miraculous. Each face, each testimony, and every act of generosity reflects a people who believe that what happens in this church can change the world beyond it.

Kristin and I believe God has called us to live as Kingdom Builders; people who see needs, step out in faith, and give so others can go. Our goal has never been to build a great church alone, but to build the Kingdom of God together. That means creating opportunities for people to experience Jesus both here in our community and across the world.

As Kingdom Builders, we are a community united by mission and generosity. We're committed to advancing God's Kingdom through five lanes of impact: Global Missions, National Outreach, Local Evangelism, Next Generation Leaders, and Realife Projects. Each lane represents a way we get to partner with what God is doing and see lives **transformed through the power of the gospel.**

Because of your faithfulness, Realife continues to make an incredible impact, supporting 68 missionaries across multiple countries, investing daily into ministry efforts, and seeing countless lives changed by the love of Jesus. Together, we are watching God move in miraculous ways: from feeding the poor to resourcing local schools, from planting new churches to training up the next generation of Christian leaders.

Every dollar given, every prayer prayed, and every step of obedience builds something eternal. And while we celebrate all that God has done, we also dream of what's still ahead. We believe the greatest days of Realife Church, and of Kingdom Builders, are still to come.

Our prayer is that this book stirs your faith and reminds you of what's possible when ordinary people live with open

hands and obedient hearts. Together, we can do more than any one of us could ever do alone; because together, we are Kingdom Builders.

THE INVITATION

All throughout Scripture, God raised prophets to awaken His people and open their eyes to what He was doing. From Elijah to Isaiah, their role was always the same: to call God's people out of complacency and into clarity—to help them see what heaven was revealing.

John the Baptist stood as the final prophetic voice, the bridge between the age of promise and the arrival of the Messiah. When he looked upon Jesus and declared, “Behold, the Lamb of God,” he fulfilled the deepest purpose of every prophet: to help God's people recognize the presence of God in their midst.

And Jesus continued that invitation with His first disciples: **“Come and see.”** His invitation was not simply to observe, but to perceive; not merely to hear, but to behold; not only to listen, but to draw close enough to experience the truth for themselves.

That invitation echoes through the Gospels, through history, and through the heart of every believer:

Come. Step toward Me.

See. Discern what God is doing right in front of you.

This is the heartbeat of the Kingdom.

This is the call of the Church.

This is the mantle of Kingdom Builders.

SERVE DAY 2025

We are a people awakened by the prophetic voice of Scripture and invited by the living Christ Himself to come near, to behold His work, and to make it visible to the world. Just as God raised prophets to awaken ancient Israel, He now raises up His Church to awaken cities, nations, and generations with the same divine invitation:

Come and see what God is doing.

Come and see His mission.

Come and see His heart for the world.

Come and see—and then join Him in building the Kingdom.

“
COME
AND
SEE
”

SEEING THE VISION

In Scripture, kings weren't merely rulers—they were builders. They took what the prophets heard from God and turned it into something the people could see, touch, and stand upon.

The prophet revealed the vision; the king brought it to life—brick by brick, decision by decision, through obedience, stewardship, and faith-filled action.

But God didn't only use kings—He used leaders like Nehemiah. Nehemiah wasn't a king, but he carried a kingly assignment. He felt God's burden, gathered God's people, and rebuilt what was broken with courage, strategy, and relentless faith. His story reminds us that you don't need a royal title or official position to take up a Kingdom assignment—just a willing heart and obedient hands.

God still works this way. He gives His Church a prophetic heart to discern His direction and a kingly mandate to build what He has spoken. At Realife Church, that's the heartbeat of Kingdom Builders. It's how we take God's vision and translate it into action. It's how the Great Commission shifts from ink on a page

UKRAINE - CONVOY OF HOPE

to lives transformed across the street and around the world.

Kingdom Builders isn't a just fund—it's who we are.

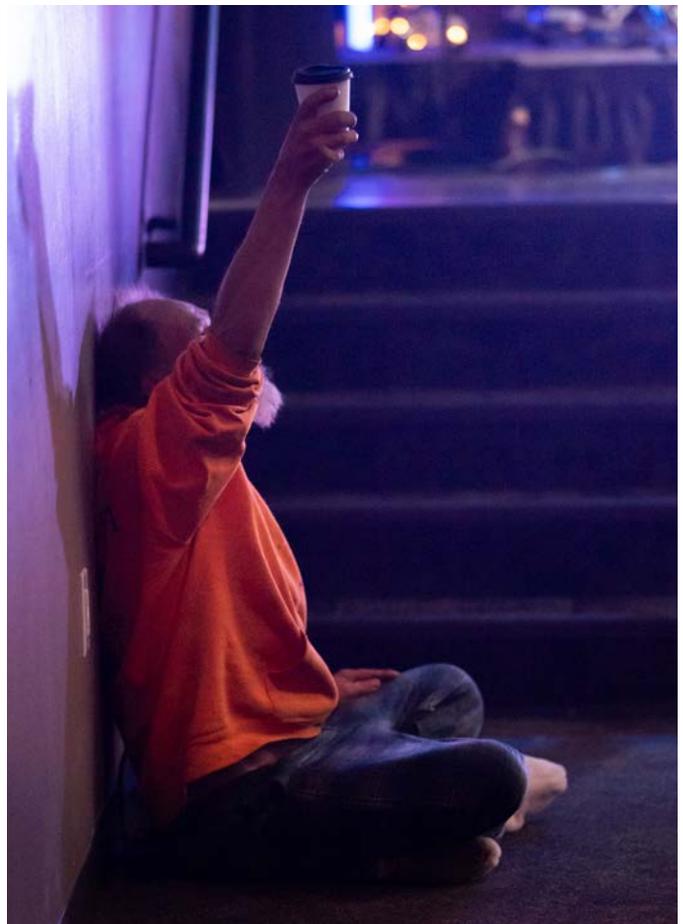

A movement of generosity and obedience advancing God's Kingdom with purpose.
It's the kind of generosity God desires for you, not from you.

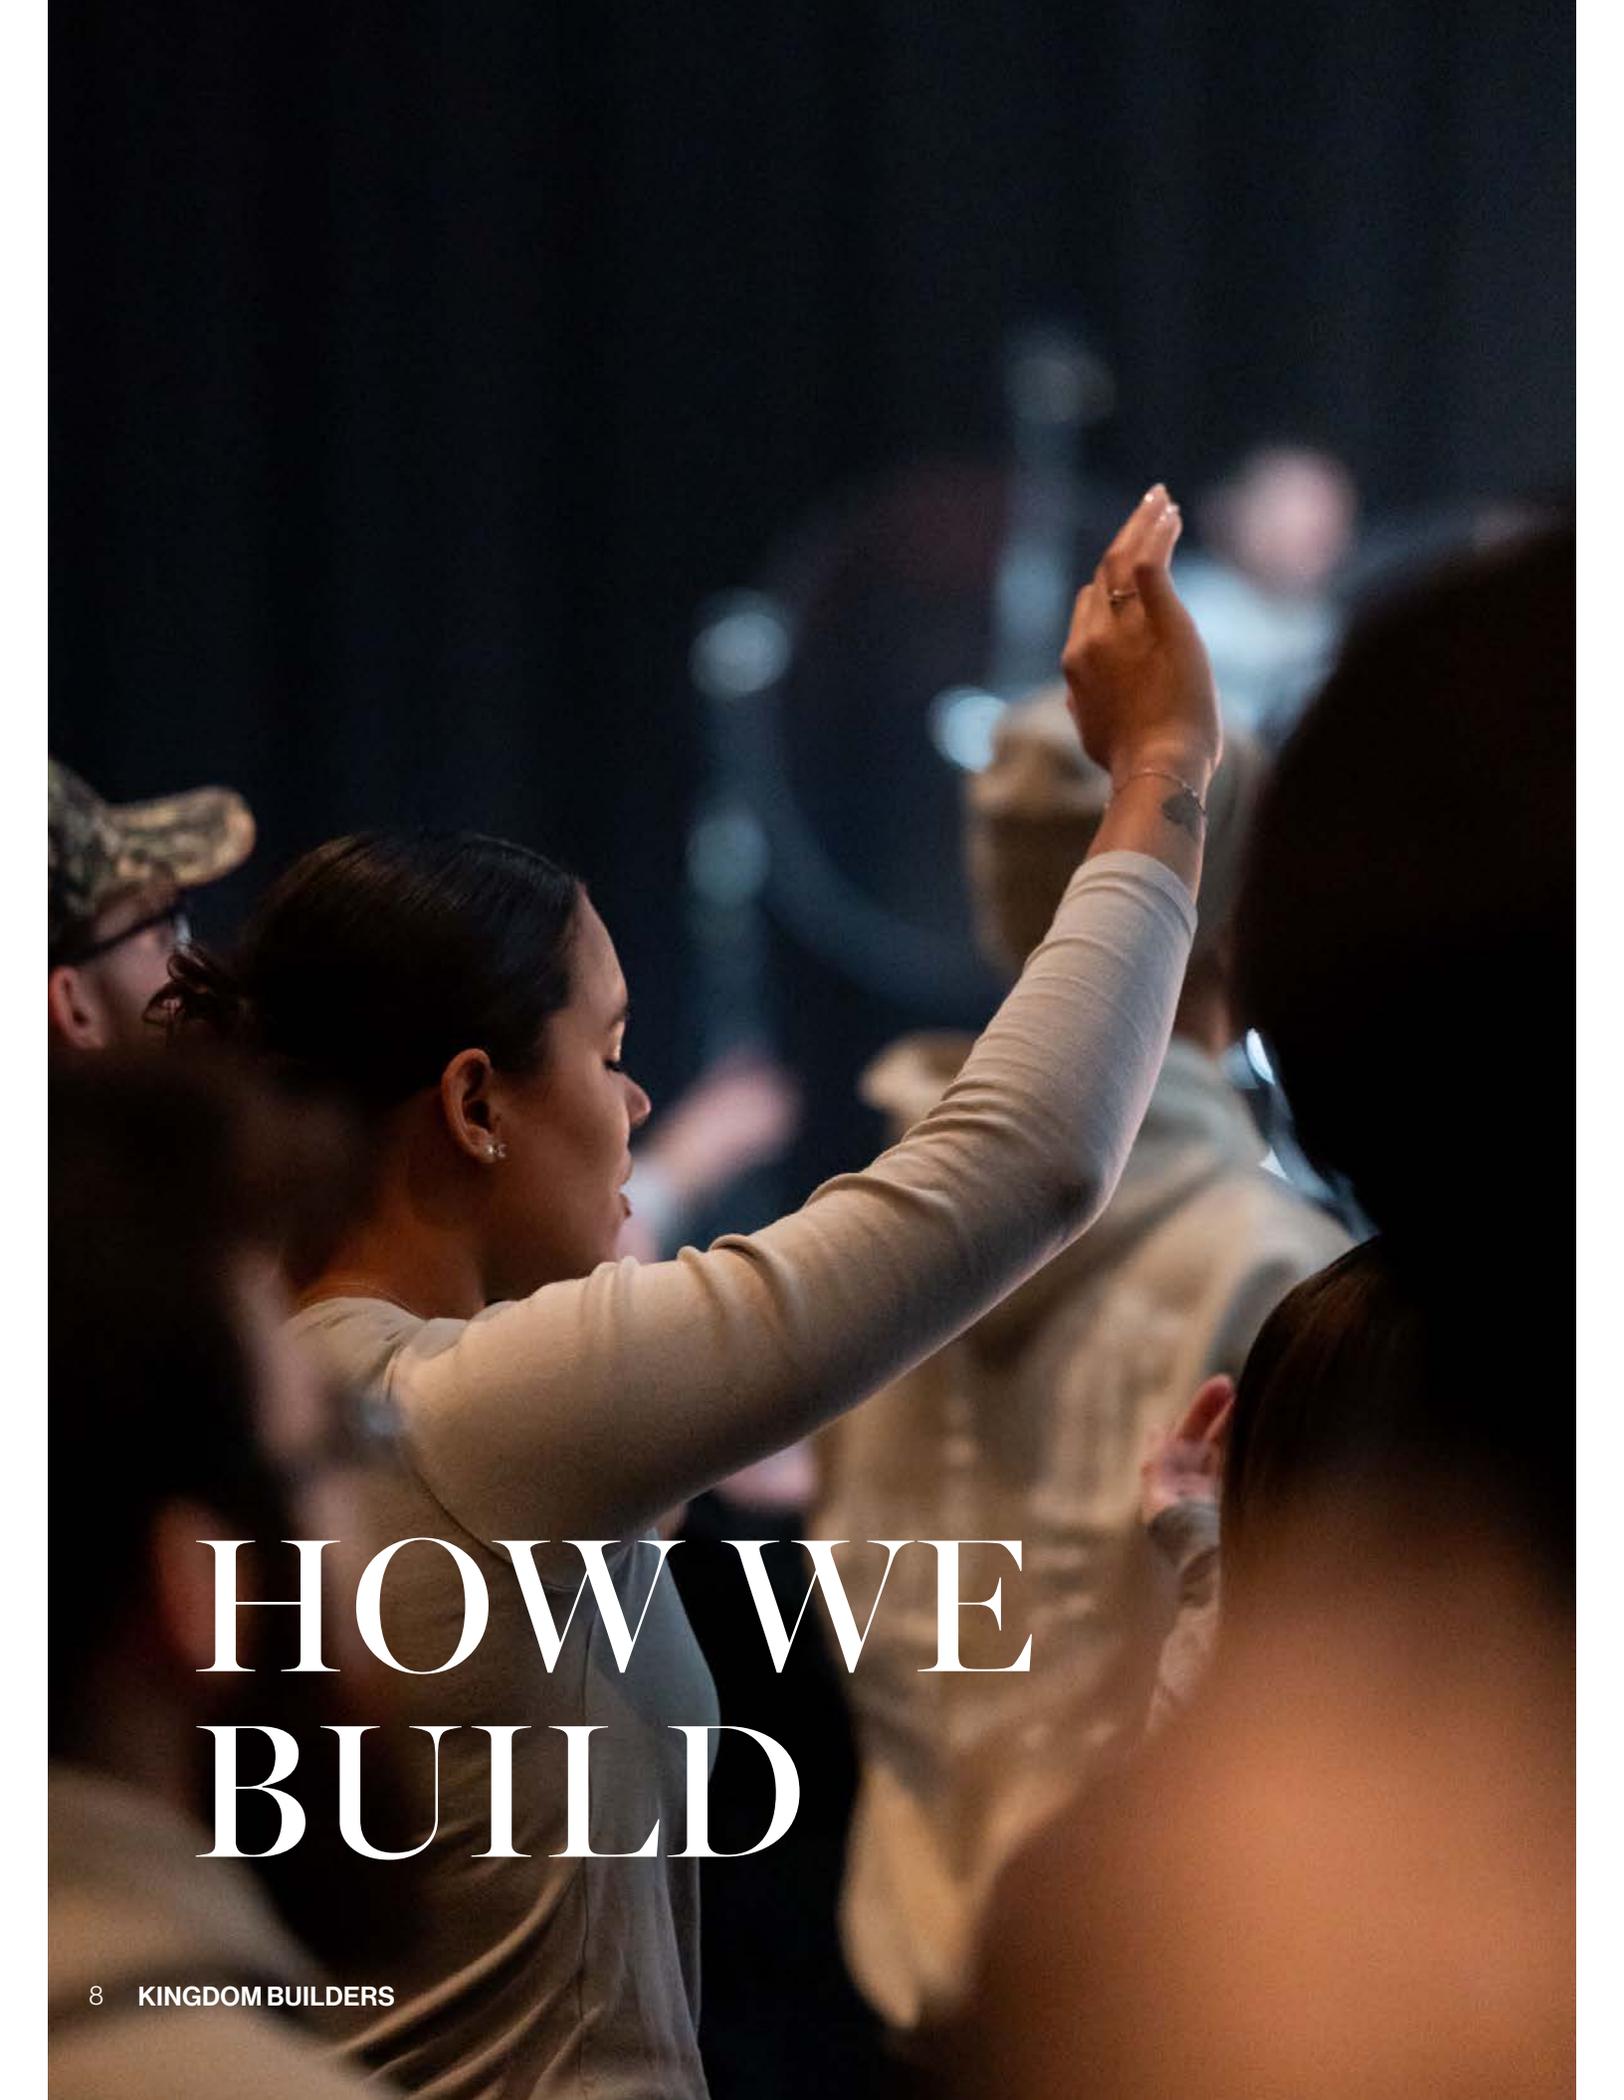

Like in the days of Nehemiah, God is stirring ordinary people for holy work:

To give with open hands. To obey with open hearts. To join Him in restoring, rebuilding, and reaching the world—one stone, one act of faith, one “yes” at a time.

This is how we build the Kingdom: with a prophet's heart to see what God sees, and a king's hands to do what He's called us to do. Together, we are Kingdom Builders—turning God's vision into reality ***until the whole world knows Jesus.***

HOW WE BUILD

Through five strategic lanes, we build together: faithfully, generously, and strategically—for the glory of God and the advancement of His Kingdom.

1. Global Missions

Bringing the gospel to the nations by supporting missionaries, planting churches, building Bible colleges, anti-trafficking efforts, and strategic projects around the world. We go where others can't, so everyone can hear.

2. National Missions

Strengthening the Church across the U.S. through church planting, campus ministries, and urban initiatives. We believe revival isn't just coming—it's being built.

3. Local Outreach

Meeting needs and sharing the love of Christ right here at home. Through partnerships and hands-on service, we make sure our city knows Jesus cares.

4. Next Generation Leaders

Investing in the future by raising up pastors, missionaries, and Christ-centered leaders who will carry the mission forward. We don't just build buildings—we build people.

5. Realife Projects

Expanding our reach and creating more space for people to encounter Jesus. Every project we build becomes a platform for transformation.

Every day, Realife Church is fueling the Great Commission. Through the faithful generosity of Kingdom Builders, we support 71 missionaries and missions organizations across 31 nations—from our own backyard to the ends of the earth. ***That's an average of \$2,956 sent out each day to make Jesus known.***

PRAYER FOCUS

The Nations & Those Yet to Hear

Father, Thank You for calling us to carry Your light into every corner of the world. Today, we lift up the missionaries, ministries, and teams who are bringing the gospel to people who have never heard Your name. Strengthen their hands, protect their hearts, and provide every resource they need to fulfill Your mission. Open our eyes to see what You see—the nations, families, and individuals still waiting to experience Your love. Stir our hearts to pray boldly, give generously, and go willingly wherever You lead. May the name of Jesus be known among every tribe, every language, and every nation.

*“Declare his glory among the nations,
his marvelous deeds among all
peoples.” - Psalm 96:3*

ACTION STEP:

Ask God to give you a heart for a specific nation or missionary. Commit to pray for them regularly, support them financially, or take a next step toward going on a GOTrip this year.

When I first said yes to a GOTrip, it was a virtual trip to Hungary. I wanted to experience what our missionaries were doing and learn how I could help—something that felt within reach. But as we prayed for Hungary together online, I sensed God stirring something deeper. When I heard that an in-person trip was being planned, I knew I needed to go. I wanted to see with my own eyes what God was doing.

At first, our team thought we'd be hosting both a young adult retreat and a kids' VBS. When plans shifted and only the children's program remained, my heart sank. I told God, "I'm not great with kids—how can You use me?" But He reminded me that He doesn't call the equipped—He equips the called. I said yes anyway.

That "yes" changed *everything.*

God even provided the finances in miraculous ways. The trip cost \$2,700, but through friends, family, and an extra part-time job, I only paid \$390 out of pocket. Then my landlord told me I didn't have to pay rent the month after the trip so I could focus on what God was doing. Every step, God made a way.

In Hungary, I served on snack duty during VBS—something I never expected to love. Each day we helped the kids play with their food to teach a lesson that tied into their Bible story. Seeing their joy reminded me that no role is too small when God is in it.

While touring the Basilica in Budapest I stopped before a picture of Jesus on the cross, and it hit me all at once: I'm here because of Him. He rescued me, forgave me, and turned my story into a testimony.

My own past involves trauma, trafficking, and brokenness—but in Budapest, God revealed my purpose: to bring hope and healing to women walking the same road I once walked. He showed me that He brought me to Indiana and to Realife Church to be part of His global mission—to tell women that their story doesn't end in pain, but in redemption.

During the trip, our team led VBS at Riverside Church Budapest—decorating, teaching, crafting, and worshiping together. We prayed daily, shared our stories, and saw God unite us as one family on mission.

Since coming home, my faith has grown stronger than ever. I've started leading a small group for women who have experienced sexual abuse, and I'm preparing to go back to school to be better equipped for the calling God placed on my life—to one day serve full-time as a missionary with Project Rescue.

Now, I give monthly to Kingdom Builders so others can go and hear the gospel like I did. I pray for missionaries daily, and I'm staying connected with those serving in Europe as I take my next steps toward the mission field.

If God puts it on your heart to go—say yes. Don't wait for perfect timing. He'll open every door you need, just like He did for me.

PRAYER FOCUS

The Church Across Our Nation

Father, we thank You for the movement of Your Spirit across our nation. We lift up the churches, pastors, and ministries faithfully sharing the gospel from coast to coast. Strengthen Your Church in every city and community, and raise up bold leaders who will proclaim truth with grace and lead with compassion.

We pray for revival in our schools, our neighborhoods, and our nation. Unite the body of Christ across every background and denomination to stand together for Your Kingdom. May every seed planted through Kingdom Builders grow into a harvest of transformed lives, healthy churches, and renewed hope in Jesus.

“Let us hold unwaveringly to the hope we profess, for he who promised is faithful.” — Hebrews 10:23

ACTION STEP:

Pray for a church planter, campus missionary, or ministry leader serving here in the U.S. Look for a way to personally encourage or support them—through a note or by serving alongside their mission.

PARTNER SPOTLIGHT: ASSOCIATION OF RELATED CHURCHES (ARC)

Every church begins long before the first gathering. It begins with a quiet yes — often unseen, often costly — long before a room is filled or a sign goes up.

For Brad and Paige Straarup, their “yes” led them to Phoenix in 2025.

Brad and Paige sensed a clear call to plant a life-giving church shaped by Scripture, worship, and discipleship. While the vision was clear, the path forward required preparation, wise counsel, and resources to build a healthy foundation.

This is where ARC and Kingdom Builders came alongside them.

Through ARC's church-planting process, Brad and Paige received assessment, training, and coaching from seasoned pastors, along with practical tools for launch strategy and long-term health. Kingdom Builders generosity helped activate the matching support that provides critical funding in the earliest season of a church's life.

That partnership helped cover essential launch needs — gathering space, outreach, children's ministry, equipment, and team development — while also surrounding the Straarups with relational and spiritual support. It allowed them to focus on building people, not just structures.

In 2025, Spirit Church officially launched in the Phoenix metro area. From the earliest gatherings, people encountered Jesus, some returned to faith, others made first-time decisions for Christ, and baptisms followed.

A new church community began to take shape, rooted in belonging and discipleship.

This is the fruit of Kingdom Builders generosity. Churches are planted. Leaders are supported. Communities are impacted. The Gospel continues to move forward.

Churches launched through ARC often go on to disciple others, plant future churches, and give generously to missions, ***continuing a legacy of sending.***

PRAYER FOCUS

Families, Communities, and Those in Need

Father, thank you for placing us in this community for such a time as this. We lift up our local partners, like Life Choices Care Center, who are faithfully serving those in moments of uncertainty and need. Strengthen their hands, provide for their needs, and fill them with Your compassion as they bring hope, healing, and truth to families across our city.

Open our eyes to see the people around us who need Your love. Help us to be Your hands and feet in our neighborhoods—ready to serve, to listen, and to share the hope of Jesus wherever You send us.

“Let your light shine before others, that they may see your good deeds and glorify your Father in heaven.” — Matthew 5:16

ACTION STEP:

Find one tangible way to serve locally this month—volunteer with a Kingdom Builders partner, participate in Serve Day, or reach out to a family in need. Small acts of love can lead to eternal impact.

PARTNER SPOTLIGHT: LIFE CHOICES CARE CENTER

As one of our Local Kingdom Builders partners, Life Choices Care Center walks alongside individuals and families facing uncertainty in pregnancy or family life. Through compassionate support, practical resources, and faith-based guidance, they empower women and families to make informed, life-affirming decisions in a safe and caring environment.

Your Giving is Making a Difference.

In 2025, Life Choices Care Center has seen **130+ client visits**, provided **35+ ultrasounds**, welcomed **5 new babies**, shared the gospel over **50 times**, and celebrated **multiple professions of faith**. Every number tells a story—of hope restored, lives protected, and families strengthened.

OUR PARTNERS AT WORK

CONVOY OF HOPE

In October 2025, Hurricane Melissa stalled over the Caribbean and left Jamaica facing widespread devastation. Homes were damaged or destroyed. Roads became impassable. Families were left wondering where their next meal would come from and how long recovery would take.

Within days of the storm, Convoy of Hope was already on the ground. Relief trucks loaded with food, clean water, and essential supplies arrived while communities were still assessing the damage. For many, that first box of food or bottle of water was more than relief. ***It was reassurance. Someone saw them. Someone came.***

As weeks passed and attention shifted elsewhere, ***Convoy of Hope stayed.*** They continued partnering with local churches and local leaders, walking with families as they moved from crisis to recovery. At the heart of this response is Convoy's mission to care for people in crisis while pointing them to the hope that only Jesus provides. Food meets hunger. Water meets thirst. ***Compassion restores dignity and opens the door to healing.***

Because of Kingdom Builders, Realife Church was part of this story. When Hurricane Melissa struck, hope was already on the way. And because of faithful generosity, that hope is still reaching Jamaica today.

THE STONE TABLE

The Stone Table has continued to embrace a beautiful and strategic vision: mobilizing the marketplace for the Great Commission — where everyday work and Kingdom mission intersect in powerful ways. Through your giving, profits from missional business ventures and collaborative partnerships have been invested into strategic global missions projects, ***bringing the Gospel to places that have little to no access to the hope of Jesus.***

Your support in 2025 helped fuel opportunities for believers to see their everyday work become a vessel of Gospel transformation. ***Because of partners like you, hearts are being opened, communities are being changed, and the Kingdom continues to expand*** — not only through traditional ministry, but ***through the sacred integration of faith and work.***

PROJECT RESCUE - WEST AFRICA

Through Project Rescue's ministry and the help of our Kingdom Builders' offering in August of 2025, a building has been purchased and transformed into a safe center where women once trapped in despair can find shelter, counseling, vocational training, and the love of Christ as they begin the journey toward healing and dignity.

The local leader, BBC, shared how this haven has become a place of prayer answered and hope restored — a space where survivors are seen as daughters of God, where skills are taught, and where hearts are gently healed. She said **"Through this center, women are not just sheltered; they are equipped with confidence, community, and a future."**

What began as a desperate cry for help has become a flourishing ministry of compassion and restoration.

Stories like this remind us that when we give, we partner with God in bringing light into the darkest places, offering freedom where chains once held, and seeing hope rise anew. ***Your support is not just a gift—it is a sacred investment in lives transformed and a Kingdom advancing far beyond what we can see.***

FIRE BIBLE

Because of Kingdom Builders' generosity in 2025, Fire Bible has been equipping leaders and believers with more than Scripture—they are providing revelation, discipleship, and trusted biblical guidance where it's needed most. The Fire Bible is helping ignite hearts, strengthen faith, and raise up confident leaders grounded in God's Word around the world.

For Hervin, access to the Fire Bible marked a profound turning point in his life. Growing up in Albania, a primarily Muslim environment, provided limited exposure to the Bible. His understanding of God's Word was limited and unclear. When the Fire Bible became available in his own language, ***Scripture began to come alive to him.*** The study notes and explanations brought understanding, answered long-held questions, and helped him see God's truth with clarity and confidence and ***what once felt distant became deeply personal.***

Today, Hervin is using the Fire Bible to disciple others. He is walking alongside emerging leaders, teaching Scripture with confidence, and helping believers engage the Word of God for themselves. ***Because the Bible is accessible and understandable, it is now being shared, taught, and lived out in communities that once had little access to sound biblical teaching.***

Stories like Hervin's are just one glimpse of how your giving is fueling spiritual transformation and advancing the Kingdom around the world—one Fire Bible, one leader, and one community at a time.

NEXT GENERA

STEAM ACADEMY

Realife STEAM Academy isn't just a school—we see it as a Kingdom Builders ministry planted right in the middle of everyday life. It's a place where children are growing in academic excellence, yes—but even more, it's where their hearts are being shaped early with truth, identity, and the love of Jesus.

Through hands-on STEAM learning and the structure of the

Creative Curriculum®, our kids are gaining confidence, creativity, and readiness for what's ahead. But what makes this work so sacred is that faith is woven into every day—Bible stories, worship, prayer, and character building—so learning becomes discipleship, and education helps reinforce who they are in Christ.

And as our teachers pour into our students each day, God is also at work in them. Over the past two years, several staff members have taken meaningful next steps in their faith, including at least three who have been baptized.

Behind every moment is a testimony.

Sierra has become a shepherd right in the middle of our school. As a member of our staff, she's stepped into true discipleship—leading with humility, obedience, and a heart to see others know Jesus. Through her faithfulness, multiple people have come to Christ, and she's even launched a small group for STEAM Academy teachers and staff, creating a place for prayer, encouragement, and real spiritual growth among the very ones shaping the next generation.

TION LEADERS

And the fruit doesn't stop with our staff—it's reaching families too.

Kayla, whose daughter has attended STEAM Academy for the past three years, recently began coming to Realife Church. While there, she gave her heart to Jesus, and now she's preparing to take her next step by attending Growth Track.

The impact of STEAM Academy isn't just a vision for the future—it's happening right now. When people are surrounded by a Christ-centered environment day after day, God does what only He can do: He draws hearts close, strengthens faith, and transforms lives.

REALIFE KIDS & STUDENTS CAMPS

Each year, camp becomes a sacred interruption—a moment when distraction falls away and young hearts become attentive to the voice of God. This year was no different.

For many students, camp marked a clear turning point.

This year, Kingdom Builders invested \$185 for every student and child who attended camp—310 young people in total.

Because of this generosity, families were spared costs they would have otherwise paid out of pocket. For many, that investment was the deciding factor between a child attending camp or staying home. Kingdom Builders made camp accessible.

But the investment didn't stop with a week away.

Year after year, we see camp become the place where a child meets Jesus—and then brings their family with them. Parents, siblings, and extended family follow. Family trees shift. What begins as financial generosity becomes spiritual fruit that multiplies for decades.

This is why Kingdom Builders invests in camp:

Because a single week can alter the course of a young person's future.

Because reached students become reaching students.

Because when kids meet Jesus, their families often follow.

Because changing one life today can change an entire lineage tomorrow.

This is more than covering a cost.

It is planting seeds.

Kingdom Builders is helping raise sons, daughters, leaders, and world-changers—one child at a time, with fruit that will last long after the week of camp is over.

Brody encountered God in a personal and unmistakable way during Teen Camp. In the weeks that followed, the **fruit of that encounter became visible**. He stepped into serving by helping MC in Realife Kids, and by August, he was invited to join the Student Leadership Team—moving from encounter to obedience, from **faith to action**.

Ezra returned from Teen Camp with a sense of calling. **God stirred his heart toward missions** and even toward a specific place. While the full story is still unfolding, **the call itself is evidence of God shaping direction and purpose in the next generation**.

The impact was just as profound among our Realife Kids.

One child came home from camp and told his family, **“I heard God speak to me for the first time.”**

Another moment rippled beyond camp entirely—Pastor Shawna’s neighbors sent their children to camp, and **those kids returned home insisting they had to be at church the very next Sunday**.

SEU REALIFE

SEU at Realife Church is **more than a fully accredited university** where you can get a degree. It is a place to find your people, get real world experience, grow in your faith and discover God's purpose for your life.

PRAYER FOCUS

Next Generation Leaders

Father, thank you for raising up a new generation of leaders who love You and desire to make Your name known. We lift up every child, student, and young adult connected to Realife Church—those in classrooms, small groups, campuses, and ministry training through SEU and the Realife 100. Pour out Your Spirit on them. Give them courage to follow Your call, purity to stand firm in a world of compromise, and faith to believe You can use their lives to change the world. Help us, as a church, to model bold faith and intentional discipleship so the next generation can see what it means to live fully surrendered to You.

“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.” — 1 Timothy 4:12

ACTION STEP:

Pray for the next generation this week—by name if you can. Encourage a student, invest in a young leader, or give toward a camp scholarship or SEU student. Your support helps shape the future of the Church.

FROM UNCERTAIN TO UNSHAKABLE: LOGAN'S STORY

When I first decided to come to SEU, I honestly wasn't sure what my future would look like. I didn't want to move far away or spend four years at a college only to realize it wasn't what I was supposed to do. SEU gave me the chance to stay close to home, stay connected to my church, and still grow in my walk with God while figuring out what He was calling me to.

Since coming here, my relationship with Jesus has changed completely. I've learned what it means to spend time with Him outside of church—to actually abide in His Word every day. My faith isn't just something I do on Sundays anymore; it's part of who I am all week long.

God has used my time at SEU to refine my calling. I've discovered a passion for business as missions—using business as a tool to share the gospel and bring light into places that might never see it otherwise. I've realized that no matter where I go or what I do, I'm called to be a light.

Whether that's in the marketplace or in ministry, showing love and compassion to people always has to come first.

I also feel a stirring toward kids' ministry—helping the next generation experience God's love early so they have a strong foundation before they step into the real world. SEU has shown me that when everyone is pursuing Jesus together, community changes everything. When we move in unity toward one goal, we all thrive together in Christ.

Everything I've learned here: how to lead, how to listen, how to love people with patience and grace, is preparing me for whatever God has next. I've become passionate about seeing revival rise up in kids and teens, and I want to help them discover their purpose in Jesus just like I did.

My time at SEU has made one thing clear:

God doesn't just call people to ministry inside church walls. He calls us to carry His presence into every space we step into...And that's the kind of life I want to live.

REALIFE PROJECTS

Preparing Room For The Next Wave Of Growth

Growth has never been about numbers—it's always been about people. Every person who walks through these doors is a life Jesus cares about, a story He's still writing, and a future He wants to redeem.

That's why this expansion isn't just a building project. It's obedience. It's us saying, "God, we're making room for what You're doing." In the book of Acts, the Church grew because believers kept saying yes, and they kept creating space for the next person to encounter Jesus. That's what we're doing right now.

This expansion creates room for discipleship. Room for the next generation. Room for our community. It means more families can be welcomed through Kids Ministry, more children can be reached through STEAM Academy, and more leaders can be developed through SEU and small groups.

At Realife, the mission has always been simple: reach people for Jesus. Growth is simply the result of staying faithful to that mission. Our role is to make room for what He is already doing. It's about creating places where more people can **come and see** the goodness of God for themselves.

As part of Realife's ongoing commitment to steward the growth God is bringing, our Expansion Project at the New Palestine Campus is now underway.

STEAM ACADEMY: Increasing licensed capacity to **184 children**, allowing us to serve more families, create long-term relational bridges, and open new opportunities for ministry to young parents and children.

EXPANDED KIDS WING: More Sunday classroom space for elementary and preschool environments, giving us the margin needed for continued growth in our children's ministry.

NEW SECOND FLOOR BUILD-OUT:

(positioned above the Kids Wing)

- **Next Steps Room** seating approximately **150 people**. Ideal for Growth Track, team meetings, connection events, and mid-size gatherings.

- **Multiple Adult Classrooms** Available for Small Groups, SEU students, leadership development cohorts, Bible studies, and discipleship environments.

- **Elevator Access** will make the second floor ADA accessible for all.

Estimated completion timeline: September–October 2026

**architectural renderings will not be exact replicas*

FROM WANDERING TO WALKING WITH JESUS: THE LEWIS' STORY

From the very beginning, the Lewis family has been part of Realife Church. Every Sunday, they came—arms full, hearts full—with their four kids. But one was missing. Their oldest daughter was far from home, and even farther from God.

Week after week, they worshiped with both joy and ache: the kind of ache only parents praying for a prodigal can know. But they didn't sit back or give up. They leaned in.

They went through Growth Track.

They joined a small group.

They served on the Dream Team.

And they kept believing that God was still writing their family's story. Even when the answers seemed slow, they stayed planted in faith.

Then one Sunday, everything changed. Their daughter came home—not just to her family,

but ***to her Father in heaven.*** She visited Realife, raised her hand for salvation, and surrendered her life to Jesus.

Soon after, she came to Ladies Night, joined a small group, and completed Growth Track. Now she's serving and growing alongside her family—the same family that never stopped praying for her to return.

Today, the Lewises are fully engaged in the life of the church. Their home is whole again, their faith stronger than ever, and Chris, their dad, is now feeling called into ministry.

Through faith, prayer, and the community of His church, a prodigal came home. Families healed. Lives changed. Hope restored—

and He's *still* writing their future.

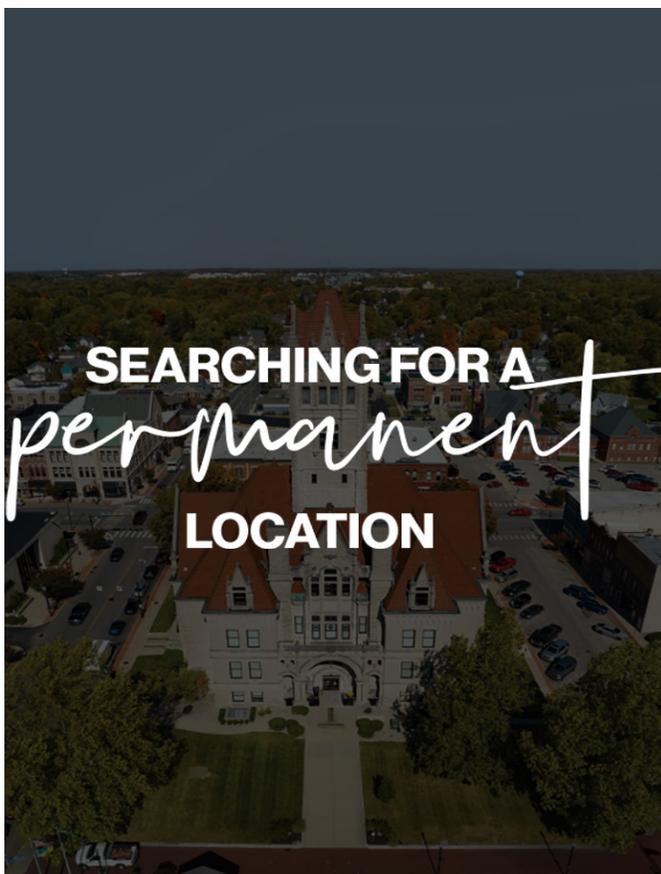

ONE YEAR OF LIFE CHANGE AT THE GREENFIELD CAMPUS

Greenfield is growing—and we're actively looking for a permanent home to match what God is doing here.

In 2025, **185 people gave their lives to Jesus**, **313 people visited for the first time**, and our **average weekly attendance was 450**. We also saw **217 people serving on the Dream Team**, with **93 completing Growth Track** and **120 who joined the Dream Team**.

Every week, life change is happening in real time. Teams faithfully set up and tear down, turning a high school into a place of worship where families are restored and kids meet Jesus.

As we step toward what's next, we're celebrating what God is already doing—and making room for more.

PRAYER FOCUS

Growth, Provision, & Purpose

Father, thank you for entrusting us with the vision to reach our community for You. We lift up the construction at our New Palestine campus and every step of expansion across Realife Church.

Provide wisdom, resources, and favor as we build spaces where people can encounter Your presence and find hope in Jesus. Remind us that growth isn't about buildings, but about people. Help us stay focused on the mission—to reach the lost, equip believers, and make disciples who will carry Your Kingdom forward.

“Unless the Lord builds the house, the builders labor in vain.” — Psalm 127:1

ACTION STEP:

Pray for the continued progress of our New Palestine campus and for future expansion opportunities. Ask God how He might use your generosity, service, or faith to help create space for others to experience life in Christ.

KINGDOM IMPACT

Your generosity through Kingdom Builders is changing lives and helping build the Kingdom of God all around the world! Here is a glimpse into the impact of your generosity:

WHO ARE KINGDOM BUILDERS?

Kingdom Builders are a community of believers who live with purpose and generosity.

They see beyond the walls of the church, giving their time, resources, and faith to advance the gospel locally and globally. From the youngest to the oldest, Kingdom Builders share one heart—to see lives changed through Jesus.

This community is open to anyone willing to trust God with more. Each person and family commits, through prayer, to give above the tithe so that others can encounter Christ. Kingdom Builders are everyday people who choose to make an eternal difference.

THE GREAT COMMISSION

Before leaving earth, Jesus gave His followers one final instruction:

“Go into all the world and make disciples.”

That command wasn’t limited to a few—it was given to all who believe. The Great Commission still calls us today, reminding us that faith was never meant to be kept, but carried.

With ***nearly half the world still unreached***, every prayer, every gift, and every act of obedience matters. As followers of Jesus, we carry His message with conviction and compassion—to our neighborhoods, our nation, and the nations of the world.

THE REALIFE 100

We believe God is raising a generation of people who will say yes to full-time Kingdom work.

The vision of Realife 100 is to ***send 100 individuals, couples, and families into ministry***—pastors, missionaries, and leaders who will take the gospel wherever God calls them.

They are people willing to exchange comfort for calling, knowing that when we obey, lives change. The Realife 100 remind us that every great movement of God begins with someone who says, ***“Here am I. Send me.”***

HOW TO BE A KINGDOM BUILDER

PRAY

Every movement of God begins with prayer. We ask Him to open hearts, strengthen those who are sent, and draw people to Himself.

GIVE

Through generosity, we send the gospel farther than we could ever go alone. Each gift is an act of faith that meets practical needs and builds eternal impact.

GO

God uses our unique callings and skills to reach others—whether that means serving in our city, joining a mission trip, or stepping into full-time ministry. Every “go” matters.

SHORT-TERM GOTRIPS

Several times a year, teams of volunteers from our church travel around the world to help meet physical and spiritual needs and share the love of Jesus Christ. We offer a variety of team options - one for everyone in the family. You can choose from domestic trips, international trips, and virtual trips. Going is always worth the investment!

“Therefore go and make disciples of all nations...” - Matthew 28:19

SHARE

We want to hear stories of generosity! Share the story of what God has done in you and allow it to impact and inspire others along their journey of living “blessed to be a blessing.”

Plan with wisdom. See with faith. Dream with God.

PLAN

Proverbs 21:5 says,
“The plans of the diligent lead surely to
abundance.”

Generosity grows when we're intentional.

Setting a monthly amount to give, no matter the size, is a step of obedience that honors God. When we plan and follow through faithfully, He blesses our stewardship and uses it to advance His Kingdom.

Start with a plan. Work the plan. Watch how faithfulness produces fruit.

VISION

Habakkuk 2:2 encourages us to
“write the vision and make it plain.”

Pray and ask, “Lord, what could You do through me this year—beyond what I think is possible?”

Philippians 4:19 reminds us that
“God will supply all your needs according to His riches in glory.”

When you shift your focus from what's in your hands to what's in His, generosity moves from obligation to overflow.

DREAM

Finally, ***dare to dream.***

Ephesians 3:20 declares that God
“is able to do exceedingly, abundantly above all we ask or imagine.”

Your dream amount is between you and God—a stretch that might take years to reach, but one that keeps your faith growing. Write it down. Hold it in prayer. Let it inspire every step of obedience you take. Because when we dream with God, we step into the kind of giving that changes lives and shapes eternity.

Write down your own Plan, Vision, & Dream for being a Kingdom Builder.

FROM LOST TO LIVING WITH PURPOSE: DELANIE'S STORY

When Delanie first walked through the doors of Realife Church, she wasn't looking for religion — she was looking for hope.

Her life up to that point had been marked by struggle, addiction, and isolation. She was homeless, running on empty, and searching for something the world couldn't give. But even then, ***God was pursuing her.***

In July of 2020, Delanie entered the Hope House — and what began as a last resort quickly became the beginning of a miracle. Another resident invited her to Realife, and from the moment she stepped inside, it felt like coming home. That Sunday marked her first true “yes” to God — a step of faith that would change everything.

She went through Growth Track, discovered her purpose, and found what she'd been missing all along: belonging. Soon after, Delanie was baptized — a powerful moment that symbolized

leaving her old life behind and rising into the new one Jesus had promised. ***She didn't just find freedom for herself; she began building a new legacy for her daughter, too.***

In a Small Group, Delanie found friends who celebrated her wins, carried her burdens, and even cared for her daughter when she joined her first GO Trip. When it came time for missions, she listed excuses—but God was already planting a seed:

*You don't have to be perfect
to be called.*

Today, Delanie serves faithfully on the Dream Team, using her gifts in the Kids Ministry to create a space where children feel loved and secure.

When she once considered switching age groups, she felt God whisper,

“Stay. What you bring is consistency — and that’s what these little ones need.”

She’s learned that impact doesn’t always come from big moments, but from showing up with faithfulness, week after week.

Delanie’s story is a picture of what happens when someone says “yes” — not just once, but again and again. From lost and alone to loved and living with purpose, she’s proof that God can redeem any story.

Through Realife Church, Delanie found not only her faith, but her family. She’s now a Kingdom Builder — using her life, her gifts, and her story to help others find the same hope she found in Jesus.
